

Install Pop-up Workshop & Studio Shop

Manchester
Craft & Design
Centre

For over 40 years, Manchester Craft & Design Centre has provided a home to some of the region's most talented independent designers and makers.

Our Install Studio offers an exciting opportunity to bring your products to the public, selling in an environment of high-quality craft and design. Our visitors appreciate well-made, quality products. If you think this matches your business, then get in touch by emailing contactus@craftanddesign.com.
