

# CERAMIX

## Head, Body & Legs Exercise

### What Does Creativity Mean to You?

Inspired by the artist's process in the 'earth to heart' exhibition, try creating your own "Ceramix" and enter our competition. Unleash your creativity and see where collaboration can take you!

### Instructions

1. The first person draws the top section of a ceramic piece in section 1, making sure to go just over the dotted line. Fold over the sheet so the second person cannot see the design.
2. Pass it on to the second person.
3. The second person continues the ceramic drawing. No peeking! Fold the sheet again and pass it back to either the first person or a third collaborator.
4. Complete section 3 and unfold the paper to see your collaboration!

### How to enter

Submit your design along with your name, email and telephone number for your chance to win a ceramic by Imprints of Earth or Lily Brown. Two winners will be contacted by email in January 2025. Please email your Ceramix to [exhibitions@craftanddesign.com](mailto:exhibitions@craftanddesign.com). Alternatively, you can bring your Ceramix up to the office on the first floor or leave it in the feedback box in the community hub.
